

Where to Run in Davis!

UCDXCTFC RUNNING ROUTES

First, some safety guidelines

- Obey property laws—don't trespass
- When running in a new place, run with a buddy
- If running alone, consider carrying handheld mace (and get trained on how to use it)
- Stay right, pass left
- When passing, announce your presence 10 seconds in advance of passing
- To avoid confrontation under COVID, give all other pedestrians a wide berth when passing
- Stay hydrated
- When it's sunny, wear sunglasses and sunscreen, even if you have darker skin
- Always look both ways when crossing roads/tracks, and don't play games with RR crossings
